Dear Sir:

The following comments are submitted in response to the non-Final Office Action dated December 28, 2006. Reconsideration in view of this response is requested.
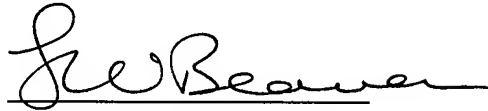

The sole rejection was a rejection of claims 1, 6, 7 and 60 on the grounds of nonstatutory obviousness type double patenting. The Examiner has invited Applicant to file a terminal disclaimer to overcome this rejection.

Enclosed is the terminal disclaimer, along with a check for $130.00 for the filing fee for the terminal disclaimer.

Any further charges or credits in connection with this response may be charged to Deposit Account No. 23-0035.

In conclusion, it is believed that with this response the application is now in condition for allowance of all pending claims.

Respectfully submitted,

Lucian Wayne Beavers
